

## July 2016 parish e-bulletin – news and information from South Cambridgeshire District Council

Welcome to the latest parish e-bulletin. As in every edition, this one includes information that parish councils may want to discuss, important notices we want you to be aware of, as well as news from around the district.

### 1) Local Plan hearings resume

Government planning inspectors have published details about when certain topics will be looked at as they continue their examination of our Local Plan. Could you help us to let interested local residents and community groups know that hearings about issues specific to our district will start on 1 November 2016 at our offices.

Further information about the examination is available to view on our [website](#).

Bring something which needs fixing from home such as clothes, furniture, electrical appliances, crockery, bikes and toys and experienced volunteers with repair skills will do their best to fix it. These are all free events. Donations to cover costs are welcome.

We are looking to grow our pool of volunteer repairers, so if you know someone with repair skills who might be interested in helping out, please put them in touch.
