SAWSTON TIMEBANK

What is the Timebank?

It is a way for people to help others in their community and be rewarded for it - in time. For every hour of time you give helping someone, you receive one-time credit in your personal Timebank account. The Timebank will also be running fun, free activities in partnership with the local community.

What can you do with your time credits?

You can 'spend' your time credits when you need help from someone else. You can give them to another person who needs some help. Or you can save them to use.

Who can join the Timebank?

Anyone can join. Age, ability, lack of finance or limited mobility are not barriers to participating in the Timebank. Look inside for the ways in which you can get involved.
